- 30 Origin Of The Teachings - Salt - Difference Between Alchemy And Homeopathy - Fixed And Volatile - Stone And Elixir - Sulphur: The Soul Of Things And Beings
- 31 Menstrua: Their Quality, Sensitivity And Spiritual Force - Extraction Liquid
- 32 Sephirotic Centers Of Chakras - Their Alchemical Symbolism
- 33 Distillation Of Vinegar
- 34 Spiritual Effects Of The Elixirs - Principles Of The Experiments
- 35 Use Of Powers - Health, Discretion, Impartiality - Element - Principle - Alchemical Life
- 36 Alchemical Stones
- 37 Catechism Of Paracelsus
- 38 Catechism Of Paracelsus (Continued)
- 39 Explicatory Ode Of The Catechism Of Paracelsus
- 40 Resuming The Making Of The Stone And Elixir
- 41 Menstruum - Alkahest - Mercury - Chart Of Dissolutions
- 42 Numbers Of 1 To 10 - Metallic Matrices - Warning About Drugs
- 43 Fermentation - Synthesis Of The Alchemical Process - Elixir - Stone - Plants' Planetary Attribution
- 44 Material For The Metallic Work - Mental Processes - Transmutation
- 45 Control Of The Transmutation Power - Whitening Of The Salt And Sulphur Work On Drosera - Vinegar Of Drosera
- 46 Synthesis Of The Operative Principles - Astrology And Alchemy
- 47 Preparation Of The Urine Alkahest - Elixir: Simplified Method - Unicity Of Matter: Philosophical Salt Of Tartar - Spirit Of Lime - Presentation Of The Metallic Class
- 48 Resuming The Circulatum Minor - Presentation Of The Metallic Class
